

How to use the Holiday Sale fillable PDF order form

1. If you have a **PC or Mac** and don't have Adobe Acrobat Reader DC, download it from the website: <https://get.adobe.com/reader/otherversions/> (select the version for your respective operating system).
2. If you have an **iPhone or iPad**, and don't have Adobe Acrobat Reader, download it using the **App Store** icon. Search for **Adobe Acrobat Reader** and press "**GET**."
3. When you have Acrobat Reader installed, you must save your preferred version of the fillable PDF order form from the club website (www.evlrc.org) to your PC, Mac, iPhone or iPad:
 - a. the **ELRC Fillable PDF Order Form with flyer**
 - b. the **ELRC Fillable PDF Order Form without flyer**
4. Remember, you must save the PDF order form to your computer to use it. It cannot be used with just an Internet browser. For **iPhone** and **iPad** you need to save it (i.e., "**Copy to Acrobat**" from the "**Square with Arrow**" download icon at the bottom left) so that you can open the form with Acrobat Reader and then fill in the blanks. With PCs and Macs, the form should open automatically by Acrobat Reader when you use File Explorer, etc.
